GENERAL ENROLLMENT INFORMATION

Enrolling in Classes

After the application is processed at the college, students will receive a letter outlining additional steps to access SURF, MiraCosta College's online enrollment and student information management system. Student ID numbers (also known as SURF IDs) are required in order to use the online system. ID numbers are NOT sent to the students. Students are required to retrieve their own student ID number and set up a password online at **surf.miracosta.edu**. Student tutorials are also available at **miracosta.edu/tutorials**.

Wait Lists

While enrolling in SURF, students may select the wait list option for a closed class. Beginning on the first day of classes, student enrollment into closed classes will be at the discretion of the instructor. The student must attend the class on the first day and have an add card signed by the instructor to be enrolled into the class.

Adding/Dropping Classes

Changes to your class schedule may be made online using SURF (**surf.miracosta.edu**) or in person at the Community Learning Center. Students are responsible for officially dropping a course. You will not be mailed a confirmation of enrollment. Please print your class schedule from SURF. The last day to add spring classes is April 7 (excluding adult high school, Cisco, and English as a second language classes).

Attendance at First Class Meeting

To ensure your place in a class, attend the first class meeting on time. Instructors may drop absent students to make room for students wishing to add the class. If you decide not to continue in a class for which you have enrolled, it is your responsibility to drop the class officially by using SURF or by submitting a drop card to the Community Learning Center.

Class Cancellations

Classes may be canceled due to insufficient enrollment. Every attempt will be made to contact students by email or telephone before the class meets. Students do not need to drop a canceled class.

Parking Permits

Parking permits are required when parking at the Community Learning Center (CLC), Oceanside, and San Elijo campuses Monday–Saturday. All vehicles not displaying a valid permit will be ticketed starting January 30. Students may not park in staff spaces. Parking permits may be purchased for $17.50 for the CLC or $35 for the Oceanside or San Elijo Campuses. Parking permits purchased for the CLC are not valid at the Oceanside and San Elijo campuses.

Vending machines that sell day passes are located at all three campuses. Community Learning Center day pass may be purchased for 50 cents and the San Elijo and Oceanside Campus day passes may be purchased for $1. All visitors must purchase a day pass Monday–Saturday. Parking permits are non–refundable once purchased.

ADULT HIGH SCHOOL

The MiraCosta College Adult High School is designed for students 18 years of age or older who wish to complete the requirements for a high school diploma or prepare to take the GED. Those under 18 who can benefit from instruction are also allowed to enroll. Any student enrolled in a day high school (regular or continuation) must meet the following criteria in order to take classes in MiraCosta's Adult High School: he/she must be a credit-deficient student, 16 years or older, who has attended at least five semesters of high school. Day high school students must also present a Concurrent Enrollment Permit signed by their day high school principal, counselor and parent. The forms are available at high school counseling offices, the Community Learning Center (CLC), MiraCosta's Admissions Offices, and online at **miracosta.edu/ahsdp**.

In order to place students in courses that best meet their needs, individual skills will be assessed. English, reading, and math courses are also appropriate for persons who do not need a high school diploma but wish to increase their skills in preparation for college classes, for employment or advancement in the workplace, or for personal growth. MiraCosta College will offer adult basic education classes in the San Dieguito Union High School District (SDUHSD) for spring 2017.

Most classes are held at the MiraCosta College Community Learning Center, located at 1831 Mission Avenue in Oceanside. For more information call 760.795.8710.

WHAT ARE HYBRID CLASSES?

Hybrid classes allow students greater flexibility in their scheduling, while also meeting the requirements of the course.

Hybrid courses typically have only two face-to-face meetings per week, but online work is required for the other two days of the week. For example, classes that meet on Monday and Wednesdays (MW), would also require online work to be submitted on Tuesday and Thursdays (TTh).

IMPORTANT: Students enrolled in a hybrid class must have access to a computer or computer lab and should be prepared to complete the same amount of course work as in a traditional face-to-face course.

Check out our hybrid offerings for spring 2017!
