MATRICULATION & TESTING

The matriculation process is also known as the roadmap to success that starts you on the right path and keeps you going to arrive at your educational destination.

Matriculation has four parts: **assessments**, **orientation, advisement,** and **education planning**.

Assessments & Multiple Measures

The assessment process uses alternative multiple measures to help place you in courses in which you will thrive. In order to be eligible for placement via multiple measures, students must have recently (within the last 10 years) attended a United States high school for three or more years. If you shared this information with us on your MiraCosta application, the Testing Office may be able to use your high school academic information to place you in classes geared towards your success. Otherwise, students can review and share the contents of your United States high school transcript with the Testing Office using either a transcript (unofficial or official) or the Multiple Measures Self Report Update form. Based on how your cumulative, unweighted high school GPA and courses completed meet the multiple measure criteria, some students may be placed directly into transfer-level English and mathematics courses, and some students may also need to take the English and/or mathematics assessment tests.

What You Need to Know Before You Take the English or ESL & Mathematics Assessments

- You must have an application for admission on file before you complete the assessments, unless you are assessing for another college. Submit at **miracosta.edu/apply**.
- Review your overall high school GPA and the grades you earned in the high school English and mathematics courses you've completed as represented by your high school transcripts. Prepare to share this information on your application or with Testing Services.
- Appropriate photo identification will be required to take the English, ESL, and/or mathematics assessment exams.
- You will receive an assessment score after you complete your exam. Included with your score are recommendations for placement in mathematics, English, and/or ESL classes.
- Students may take each level of the mathematics assessment and ESL exams twice and must wait at least 24 hours before retesting.
- Questions? Contact the Testing Office at **760.795.6685**, email us at **testing@miracosta.edu** or visit our Web page at **miracosta.edu/testing** for more information.

Alternatives to Taking a MiraCosta College Assessment Test

- To use high school transcripts, please visit **miracosta.edu/ testing** to see the list of criteria that will exempt you from taking the English, ESL, and/or mathematics assessments.

- Provide transcripts from another regionally accredited college showing you've received a "C" or better in a prerequisite English or mathematics course.

- Bring your English or mathematics assessment results from another California community college to the Testing Office. Documents must state the courses in which you are eligible to enroll.

- If you have a bachelor's degree, bring your diploma or transcripts to the Admissions & Records Office.

- If you have achieved one of the following minimum English scores, bring documentation to the office indicated below:

English

- ◈ **Advanced Placement English** (language or literature) score of 3 or higher—**Admissions Office**.

- ◈ **International Baccalaureate Higher Level English Examination** score of 5 or higher—**Admissions Office**.

- ◈ **California State University (CSU) System Early Assessment Program** result stating, "*Standard Exceeded: Ready for English college-level course work."* —**Testing Office**.

- If you have achieved one of the following minimum mathematics scores, bring documentation to the office indicated below:

Mathematics

- ◈ **Advanced Placement Program** calculus test with a score of 3 or higher—**Admissions Office**.

- ◈ **College Level Examination Program** mathematics score of 50 or higher—**Admissions Office**.

- ◈ **CSU Early Assessment Program** result stating, "*Standard Exceeded: Ready for mathematics college-level course work."*—**Testing Office**.

When to Take the English or ESL & Mathematics Assessments

English or ESL & mathematics assessments are offered on a drop-in basis at the Oceanside Campus (Bldg. 3300), the San Elijo Campus (Bldg. 100), and at the Community Learning Center (Bldg. A). Visit **miracosta.edu/testing** for current drop-in hours.

Which is right for me? English or ESL?

- **English Assessment—** The Informed Self-Placement uses multiple measures to provide a course recommendation for:

  - ◈ Students who grew up in an English-speaking home, or

  - ◈ Students who were educated in all-English schools from elementary through high school.

- **ESL Assessment—**This is the assessment to take if your native language is not English. This includes those enrolled in the International Student Program.

Orientation & Advisement

Orientation is a two-part process that includes an online and in-person component. Online orientation gives students an overview of how to enroll in classes, information on services available, and tips for college success. Attending **Spartan Start** in January will help students get familiar with the campuses, learn about social and academic resources, and connect with professors, staff, and students for a great start at MiraCosta College. Advisement helps students choose the right courses to meet their academic goals.

Log in to your **SURF** account and use the Matriculation Activity Guide to get started and complete the online orientation and advisement portion of matriculation. Afterwards, don't forget to register for your **Spartan Start** session at **miracosta.edu/spartanstart**.

Developing an Education Plan

An education plan is an important tool to help students attain their goals without wasted time and effort as they outline a suggested pathway for students based on their major, transfer plans, or other objectives. These plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. Students can develop options for education plans on **myEdPlan** in **SURF**. However, to maintain priority enrollment, students must:

- Meet with a counselor.
- Complete a comprehensive education plan prior to completion of 15 units or a third semester (whichever comes first).

Students can challenge or appeal any step in the matriculation process by emailing **studentsuccess@miracosta.edu**.

Students with disabilities are entitled to appropriate accommodations. Contact Disabled Students Programs & Services at **760.795.6658** for more information.

ENROLLING IN CLASSES

After MiraCosta College processes your application, you will receive an email with information about **SURF**, our online enrollment system, accessible at **surf.miracosta.edu**. The application processing typically takes two business days.

You'll use **SURF** to enroll in your classes, but first, you must log in and set up a password. Do this online at **surf.miracosta.edu**, after your application is processed.

FINANCIAL AID

Need money for college? Financial aid can help. Don't miss out on making college even more affordable!

✎ Three Ways to Get Financial Aid Information

1. Visit our Web page: **miracosta.edu/financialaid**.
2. Visit us in Bldg. 3000 on the Oceanside Campus.
3. Call us at **760.795.6711** or email **MCCFinAid@miracosta.edu**.

✎ Three Reasons to Apply for Financial Aid

1. **Federal Financial Aid programs available**
   - ✎ **Grants like Pell & FSEOG:** free money that does not need to be repaid.
   - ✎ **Federal Work Study:** an on-campus part-time job program.
   - ✎ **Direct Loans:** federal education loans that typically have a good interest rate and require repayment after finishing school.
2. **State Financial Aid programs available**
   - ✎ **California College Promise Grant (CCPG):** formerly known as Board of Governors (BOG) Fee Waiver, which waives tuition costs.
   - ✎ **Cal Grants:** free grant money for academically and financially eligible students that file a FAFSA prior to the March 2 priority filing date.
   - ✎ **Student Success Completion Grant:** free grant money for Cal Grant students enrolling in at least 12 units.
3. **Local Financial Aid programs available**
   - ✎ **The MiraCosta College Promise program:** free grant money that covers mandatory fees and assists with books.
   - ✎ **Scholarships:** free money available for students, including undocumented and international students.

Undocumented Students

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application at **dream. csac.ca.gov** to determine eligibility for state and local programs.

Important

- ✎ Aid eligibility is based on units enrolled as of the fall semester February 3 add/drop date. Recalculations are not made after that point. This date applies to all courses including late start courses.
- ✎ Students who withdraw after the add/drop date may be required to repay a portion of their financial aid funds.

✎ Five Steps to Receiving Financial Aid

1 Apply

Complete the FAFSA at fafsa.gov or the California Dream Act Application. MiraCosta College School Code is 001239.

2 Check Email

You will receive an email 7–10 business days after applying with further instructions and estimated award amounts.

3 To-Do List

Additional documents will be requested via the SURF To-Do List. Check your To-Do List often.

4 Review

Once your To-Do List is complete, your file will be reviewed to confirm eligibility. Reviews can take between 3–6 weeks to complete.

5 Payment

Financial aid is paid through BankMobile disbursement services. You'll receive an email and a green envelope in the mail with information on how to receive your financial aid.

GENERAL EDUCATION

Students at MiraCosta College can choose to follow one of three general education patterns.

A **Plan A** is for students not intending to transfer but who want to earn an associate degree. Plan A will satisfy general education requirements at MiraCosta College but will not satisfy all general education requirements for transfer to a CSU or UC campus and is not intended for students transferring to a four-year institution. See page 19 for the Plan A advisement sheet and the MiraCosta College Catalog's Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificatetransferinfo** for additional information.

B **Plan B** is for students transferring to a California State University (CSU) campus. See page 20 for the Plan B advisement sheet, which contains general education requirements, and the MiraCosta College Catalog's Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificatetransferinfo** for additional information.

C **Plan C** is for students transferring to either a University of California (UC) or a CSU campus. See page 21 for the Plan C advisement sheet and the MiraCosta College Catalog's Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificatetransferinfo** for additional information.

	C	IP	N
Group I: (select one) HIST 110/110H, 116/116H, 141/141H, 145/145H *and*			
Group II: (select one) HIST 111/111H, 117/117H (F '16), 142/142H, 146, 165 *or*

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2018 and are valid through Summer 2019.**

IGETC is not a UC admission requirement but is advantageous to most transfer students. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus. Certification of IGETC, including Area 1C, Oral Communication, is an admission requirement for the California State University system, when students are completing an Associate Degree for Transfer and using IGETC to fulfill the general education component of this degree.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both.

( ) Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

*Grades of "C-" are not acceptable except for high school language courses.

Want to take classes that have

FREE or low-cost textbooks?

Now you can with classes identified as:

Zero Textbook Cost (ZTC) / **Low Textbook Cost (LTC)**

See a list of all ZTC and LTC classes MiraCosta offers at **miracosta.edu/ZTCclasses**

Search for ZTC and LTC classes in SURF at **miracosta.edu/ZTCsearch**

ZTC classes typically use no-cost digital textbooks, online resources, and homework systems. ZTC classes may have optional print texts that are not free. ZTC classes may also have other required materials such as lab supplies, calculator, test forms, etc., which are not free. LTC classes use course materials that cost $40 or less.

The college strives to ensure that the ZTC and LTC designations are accurate; however, under some circumstances, faculty may have to adjust selection of instructional materials and this can affect course material costs. It may also be necessary to change instructors. Replacement faculty have academic freedom to choose instructional materials regardless of costs and are not obligated to use free course materials selected by an instructor previously assigned to the class.
