

Mission

Student Accessibility Services provides support, services, resources, and accommodations for students with verified disabilities. Our belief is that disability is not a limitation, but rather an indication of perseverance, strength, and determination in accomplishing all life endeavors. Our intention is to promote access, equity, and inclusion while instilling a true sense of belonging at MiraCosta College for students with disabilities.

STUDENT ACCESSIBILITY SERVICES (SAS)

MiraCosta College shall provide access to educational programs and employment practices, and shall not discriminate based on accent, age, ancestry, citizenship status, color, disability, economic status, ethnic group identification, gender, sex, marital status, medical condition, national origin, parental status, race, religion, sexual orientation, or veteran status.

SAS supports students with verified disabilities who are enrolled, or are seeking to enroll, in credit and noncredit courses at MiraCosta College:

- Acquired Brain Injury
- Autism Spectrum
- Deaf/Hard of Hearing
- Learning Disability
- Physical Disability
- Attention Deficit Hyperactivity Disorder—ADHD
- Blind or Low Vision
- Intellectual Disability
- Mental Health Disability
- Other Health Conditions and Disabilities

ELIGIBILITY & PROGRAM APPLICATION

1. Complete an application for MiraCosta College: miracosta.edu/apply.
2. Complete a SAS Program Application found on the SAS website: miracosta.edu/sasapplication.
3. Email verification of disability or medical condition to sas@miracosta.edu. Verification can include:
 - a doctor's note on professional letterhead identifying a medical diagnosis, the most recent Individualized Education Plan (IEP) or 504 Plan from high school,
 - a completed SAS Verification of Disability Form filled out by your doctor if you do not have any medical documentation in your immediate possession,
 - a Disability Rating from the Veteran Affairs Department.

After completing steps 1–3, call or email the SAS office to schedule a Welcome Meeting.

ASSISTIVE TECHNOLOGY TOOLS

Kurzweil 3000, Dragon Naturally Speaking, Zoom text, JAWS, DAISY book readers, digital voice recorders, adaptive keyboards, adaptive mice, Clear View CCTV, braille embosser, Glean note-taking software, hearing amplification equipment, print magnifier, large and talking calculators.

Support for technology is available to students through our High Tech Center at the Oceanside Campus. Support is available virtually or in person via scheduled appointments. Contact SAS for an appointment or to inquire about our open lab hours.

LEARNING DISABILITY ASSESSMENT

- A Learning Disability (LD) assessment may be available for students who have experienced lifelong challenges with academics and have not received support through an IEP or 504 Plan in high school.
- Students and an LD Specialist work together to identify tools and strategies to support learning.
- LD assessments are free.

SUPPORT COURSES

COUN 100 (fall semester only)—This course teaches success strategies to enhance academic and lifelong learning, while integrating career and academic planning.

LRNS 42—This course emphasizes visual and auditory processing skills through work in mathematics as recommended by individualized plans, compensatory techniques, learning strategies, and self-advocacy.

LRNS 46—This course prepares students to write clear and organized sentences, paragraphs, and essays in a highly supported setting.
