Introduction to Oil Painting
Students need good drawing skills. Students will learn and/or review the use of value, shape, and color to create oil paintings. Small scale paintings and a limited palette will be used. Color mixing will be emphasized in this class. There will be step-by-step demonstrations for new painters. Non-beginners are welcome to join the class to brush up on their skills.

Supplies: A $5 material fee will be collected in class. A supply list will be sent prior to the start of class.
Instructor: Anne von Benckendorff
Fee: $90
San Elijo Campus, Room 205
5 Tuesdays, 7/16–8/13, 5–8 p.m.

Painting in Oils II
Students need good drawing skills and have experience painting in oil. This class is a mix of painting with the class and painting independently. New techniques will be demonstrated frequently. The class emphasis changes each semester, so there is continual learning of new painting skills.

Supplies: A $6 material fee will be collected in class. A supply list will be sent prior to the start of class.
Instructor: Anne von Benckendorff
Fee: $99
San Elijo Campus, Room 205
6 Saturdays, 6/1–7/6, 9 a.m.–12 p.m.

Methods, Ideas, and Techniques in Watercolor
Excellent class for beginners! Learn to paint the beauty that surrounds us as we explore this wonderful art form. Step-by-step demonstrations teach the techniques necessary to create paintings alive with color and light. This stress-free approach to watercolor offers students the inspiration and support needed to master this beautiful medium.

Supplies: A $6 material fee will be collected in class. A materials list will be sent prior to the start of class.
Instructor: Kathleen FitzSimons, artist
Fee: $75
San Elijo Campus, Room 206
4 Saturdays, 6/1–6/22, 9 a.m.–12 p.m.

Drawing Landscapes
All levels welcome, especially the enthusiastic amateur! Drawing from imagination, photos and observation, we will explore a logical approach to artfully depict most landscape subjects. From trees and land to water and skies, we will thoughtfully use descriptive, interesting shapes and the effective use of values and textures. This is an ideal companion course to future study in painting classes with Drew Bandish and other instructors.

Supplies: A $3 material fee will be collected in class. A materials list will be sent prior to the start of class.
Instructor: Drew Bandish
Fee: $90
San Elijo Campus, Room 302
5 Saturdays, 6/8–7/6, 9 a.m.–12:30 p.m.

As always, Drew presented an excellent class. I learned a lot—keep bringing him back!"
"Love Drew’s classes. He is a helpful and supportive teacher."
"Drew is very helpful, kind, and enthusiastic. He’s encouraging to students and makes us feel that we can do it."

"'"
Van Gogh Themed Painting
Inspired by the teachings and passion of McNeil Sargent.
Students’ art will blossom using color and shadow to place objects solidly on the canvas reminiscent of the glorious hues and lively brushstrokes of Vincent Van Gogh. We will use a palette knife and brush to discover the way light and colors reflect the impact of our painting. You don’t have to be a master; you just need a few supplies and the desire to have fun!

Supplies: A materials list will be sent prior to the start of class.
Instructor: Barbara Coffey
Fee: $90
San Elijo Campus, Room 205
6 Saturdays, 7/13–8/24
9:30 a.m.–12:30 p.m.
Class will not be held on 8/3.

Watercolor—Landscape Painting
In this lesson set, we will focus on representing the elemental parts of landscape painting: sky, land, water, mood, atmosphere, light and purposeful composition. Learn a logical procedure to artfully depict representational subjects in watercolor. Developing control of shape, color, value & texture in watercolor media is what this course is all about. Establish effective working procedures, enhance awareness of the moisture content in paper, brush and paint mixtures. Match colors you see (or want to see), master three textures, explore four methods of paint to paper, attend to three attributes of effective shapes, then apply these design, drawing and technical tips to your own creative watercolor interpretations of landscape subjects—from photos and imagination.

Supplies: A $3 material fee will be collected in class. A materials list will be sent prior to the start of class.
Instructor: Drew Bandish
Fee: $90
San Elijo Campus, Room 406
6 Saturdays, 7/13–8/17
9 a.m.–12:30 p.m.

Beginning Digital SLR Photography
Did you buy a new digital SLR (single lens reflex) camera because you are going to travel or you want to capture family and friends in action? Feel as though your camera manual reads like a phone book so you only use the auto mode? Learn how to locate all the bells and whistles, understand their functions and get better results with the quality of your photos, including range of sharpness and exposure control. Understand the photo “lingo” and its practical applications to take great pictures.

Supplies: A $10 material fee will be collected in class. Please bring your camera and manual to class.
Instructor: Terry Matsuoka
Fee: $60
Offered at 2 locations for your convenience:
Oceanside Campus, Room 3505
1 Thursday, 6/6, 6–9 p.m.
or
San Elijo Campus, Room 303
1 Saturday, 7/13, 9 a.m.–12 p.m.
Renewing Notaries

Three-hour state-required seminar
As of January 2009, renewing notaries may take a three-hour approved notary refresher for information they are required to know to continue as a notary. You must take the notary public exam and be fingerprinted again. A six-hour approved course must be taken first.

NOTE: The cost of the class includes the notary public exam (see box for information regarding the test).

Supplies: A $30 material fee will be collected in class.

Fee: $75

Offered at 2 locations for your convenience:
Oceanside Campus, Room 3516
1 Saturday, 6/15, 12:30–4 p.m.
or
San Elijo Campus, Room 303
1 Saturday, 8/24, 12:30–4 p.m.

Notary Testing

For those students who need just the notary exam. Either preregister with MiraCosta Community Services, or pay at the door. A six-hour approved course must be completed before you are eligible to take the notary exam (see box for information regarding the test).

Fee: $25

Offered at 2 locations for your convenience:
Oceanside Campus, Room 3516
1 Saturday, 6/15, 3:45–5:45 p.m.
or
San Elijo Campus, Room 303
1 Saturday, 8/24, 3:45–5:45 p.m.

For regular notary, renewing notary, and those just taking the test, Cooperative Personnel Service will register you for the exam from 3:45 to 4:45 p.m. The exam will be from 4:45 to 5:45 p.m. If you are taking the exam, you will need the following: $40 check made payable to "Secretary of State," current CA driver's license with photo or state-issued ID card, a 2” x 2” PHOTO of yourself, and two #2 pencils. If you took your notary class online, you MUST have your certificate of completion with you. Fingerprints are required after you pass the exam.

We are continually expanding our work skills program options, so keep checking in with us.

Visit www.miracostatraining.com or call 760.795.6820 for updates, more information, or to enroll.

CASINO DEALER SCHOOL
Barona, Moronga, Pala, Pauma, Pechanga, Rincon, Sycuan, Valley View, Viejas, and Ocean’s 11. These are just a few of the casinos in the area, not to mention the numerous casinos in Reno, Las Vegas, Atlantic City, along the Mississippi River, and overseas. Train to work at a casino, whether in California, across the country, abroad, or on a cruise ship.

Course one provides instruction on poker (Texas hold ‘em, Omaha, seven card stud), course two on house games (black jack, pai gow poker, mini-baccarat, and three carnival games), and course three teaches how to deal craps & roulette. In addition, learn how to exchange money at the table, game security, customer service, and the interview process. Each course is 128 hours. Sign up separately, or take all three!

The starting salaries in California for dealers range from $35,000–$50,000, with room to move up the ranks. Upon completion of all three courses, students will have the opportunity to work a casino night fundraising event to showcase their skills. In addition, they will receive a Certificate of Accomplishment from MiraCosta College.

Fee: $2,800 for all three courses or $1,000 for each course. There is an optional $40 material fee for text and practice materials for the poker course.

Submitted for WIA and GI Bill funding approval. Call to check the status.

Location: Landes Recreation Center, 2855 Cedar Road, Oceanside
Class Dates: Monday–Thursday, July 22–September 27 or October 14–December 20
Times: 11 a.m.–3 p.m.
Call 760.795.6820 for information about how to enroll.
CERTIFIED ARMED PROTECTION SPECIALIST

This course is a comprehensive program designed for individuals who wish to become armed protection officers. This intensive program is 127 hours of classroom and field instruction. Students will receive all course work for a California guard card, American Heart Association CPR/AED and First Aid cards, and a baton permit. In addition, certain students will qualify for a concealed weapon permit from the states of Florida and Utah (you will not be able to carry a concealed weapon in CA). Students will also receive four days of specialized training for those wishing to break into the protection business domestically or internationally. This will allow the participant the greatest opportunity to be employed in high-paying security and protection careers.

Topics covered in this course include:
- 16 hours of mandatory guard card courses
- Over 16 hours of elective course work (required within six months of receiving a guard card)
- Exposed firearms and CCW instruction
- CPR/AED and first aid instruction
- 32 hours of executive protection training
- Resume building and interview advice

Upon completion of this course, students will receive the permits and licenses mentioned above, as well as a Certificate of Accomplishment from MiraCosta College, and multiple certificates from the instructors.

Fee: $2,117.09. WIA and GI Bill funding approved.
Location: MiraCosta College, Oceanside Campus
Class Dates: Sunday–Saturday, July 9–27 or September 19–October 6
Call 760.795.6822 for times and for information about how to apply.

HIGH THREAT PROTECTION SPECIALIST

This course bridges the gap between conventional domestic protective operations and war-zone PSD work. This 19–day program will provide the training, knowledge, and skill sets to be a proficient protective team leader/member in all threat areas by focusing on one of the most challenging protective environments, the high threat-low profile area of operations.

Protecting a journalist in Beirut, a business executive in Mexico, or a humanitarian visiting a dangerous region in Africa, are all examples of high threat-low profile environments you may find yourself assigned to. As an American citizen working a private protective detail on foreign soil, you may be working alone or in a very small team, will generally not be allowed to carry firearms, and will have to arrange all of your own local resources. These limitations highlight the need for a high level of training in specific skill sets.

This unique program was designed by industry professionals who have drawn from their vast experiences in the field. Upon completion of this course, students will receive a Certificate of Accomplishment from MiraCosta College.

Topics covered include:
- Handgun shooting package
- Live fire, immediate action drills
- Four full-protective details
- Combatives for protective specialists
- Driver & live fire vehicle down drills
- Foreign weapons live fire
- Unlawful detention module
- Vehicle tactics, reverse clinic, unlawful check point procedures
- Site, route, threat and risk assessment
- Recruitment assistance

WIA and GI Bill funding approved.
Class Dates: Sunday–Saturday, July 28–August 15 or October 20–November 7 or December 1–19
Visit httpscourse.com or call 760.795.6822 for details about how to apply.
FACILITY MAINTENANCE TECHNICIAN

Students enrolled in this program will gain instruction in the maintenance and repair of systems, components, and processes commonly found in industrial manufacturing, office buildings, schools, hotels and resorts, hospitals and apartment complexes. This 136-hour program will provide a combination of classroom and field instruction, as well as preparation to sit for several professionally recognized certifications that can lead to employment and career growth in the facility maintenance field.

Topics include:

• Maintenance principles
• Plan reading and interpretation
• Mechanics and mechanical principles
• Fundamentals of electricity
• Electrical systems
• Programmable logic controllers and programming basics
• Boiler systems and system maintenance
• Refrigeration and air conditioning systems
• Hydraulic and pneumatic systems

MACHINIST TECHNOLOGY PROGRAM

Gone are the days of the grease covered, conventional manufacturing machinist. Today’s machinist must be highly trained with very specific education and skills, working in high tech manufacturing plants that are both clean and innovative. CNC machines, just-in-time production methods, lean manufacturing techniques, along with great housekeeping and state-of-the-art facilities give a more accurate picture of American manufacturing today.

The need for properly trained machinists to fill hundreds of positions in North San Diego County has reached critical mass. To meet this need, MiraCosta College Community Services is proud to offer its Machining Technology Program to individuals seeking a fast paced, high level training for REAL job skills. This training program is designed to meet industry’s continued and growing need for trained machine operators and programmers, and will prepare students for employment in machine shops and manufacturing facilities. Students who attend will experience an accelerated program that quickly prepares them to meet trade skill sets which will qualify course graduates to move right into apprenticeship positions with local manufacturing facilities. Toolmakers and precision machinists make money while they train—no college degree is required.

Pre-requisites: Students must be at least 18 years old and have either a high school diploma or GED. In addition, students must demonstrate mechanical aptitude, basic 10th grade reading and math skills, and participate in an interview.

Fee: $5,000. Tuition funding available for qualified applicants. Submitted for WIA and GI Bill funding approval. Call 760.795.6820 to check status.

Location: Landes Recreation Center, 2855 Cedar Road, Oceanside

ONLINE CULINARY FUNDAMENTALS PROGRAM

Auguste Escoffier was the first celebrity chef of the 20th century. He enjoyed international recognition with many ‘foodie’ followers, and with politicians, royalty, inventors, artists/singers, captains of industry and writers of that era. His name is synonymous with excellence, quality, commitment, and skill in the culinary profession.

In this groundbreaking, four-course program, students will build real-world kitchen credentials by studying and mastering the following topics and skills:
- Auguste Escoffier and professionalism
- Classic cooking principles
- Professional cooking equipment identification
- Kitchen set-up, knife skills and classic cuts
- Seasonings: salts, exotic spices, seeds and international herbs
- Egg and dairy cookery
- Health and wellness foods
- Pork and lamb
- Beef: prime and economy cuts
- Allergy and gluten-free foods
- Fish: round and flat; quality and handling
- Shrimp, crab and lobsters
- Recipe conversion and kitchen math
- Life skills and career development
- Industry standard food sanitation and safety principles

This program is open enrollment and self-paced. If you spend 5–10 hours per week, you will be done in 4–6 months. No prior experience required, although some experience in the hospitality industry is recommended. Students will be assigned a chef monitor who will evaluate you based on visual assessment (emailed/uploaded photos).

Each program is $3,995. Mention “MiraCosta College” to receive a 15% discount on tuition. Payment plans are available. Over the duration of the program, food costs total about $200.
MiraCosta Community Services, in partnership with Career Step, provides programs developed in collaboration with industry associations, employers, and experts to help students gain the knowledge and skills they need to succeed in the workplace. In less than a year training at home, students can begin a career in the growing health care fields of medical transcription, medical coding and billing, or pharmacy technician.

Medical Transcription
Medical transcriptionists transcribe dictated audio reports of doctor-patient interactions. Transcriptionists enjoy the flexibility of working from the comfort of their own homes, avoiding stressful commutes, costly day care, and office politics. Fee: $1,995

Medical Transcription & Editing
Medical transcription editors correct and edit reports created by speech recognition software, which electronically translates dictation into text. This premium program allows an individual to be both a medical transcriptionist and an editor. Fee: $2,495

Pharmacy Technician
Prepare prescription orders, verify prescription information and dosage, enter patient and order information, and process and submit insurance claims. Externship available. Fee: $1,895

Outpatient Medical Coding & Billing
Coders translate medical records into standardized numeric codes used to bill patients and third-party payers. All medical tests, treatments, and procedures must be coded, then assigned corresponding fees. Fee: $2,015

In/Outpatient Medical Coding & Billing
An inpatient is admitted to the hospital and stays overnight or for an indeterminate time. Often this means that there are significantly more tests, treatments, and codes. This premium program provides students with the additional training needed for both positions. Fee: $2,390

SAN ELIJO CAMPUS

Data Heads & Science Seekers
1st–2nd grades
For the student who loves science and math, this class is for you! Enjoy fun and challenging puzzles, perform crazy experiments, study bugs, and build structures. Invent, create and experience the excitement that technology, engineering and science offers us every day of our lives.
Fee: $85 • Material Fee: $20

Wacky Mega Bot©
3rd–5th grades
Introducing our biggest bot ever, standing over 12 inches high and able to roll over obstacles using its powerful rubber treading. This amazing mega bot needs one thing...a creator. You build and power up your personal robot to be your cool companion. Then join us in our 14th annual ultra fun robo-rally where we parade, race and battle for cool prizes. This camp includes a fantastic voyage uncovering microscope mysteries, writing secret disappearing messages using light and lasers, battling tops and more.
Fee: $110

Mad About Math
3rd–4th grades
Do you love to “construct” and “explore” math with engaging and creative hands-on learning? Fun learning stations and projects will help with the study of two and three dimensional geometry with in-depth, stimulating activities. While becoming an architect/builder, compare and contrast shapes, and learn geometric vocabulary. Using M.C. Escher’s principles of design, you will create a tessellation design of your own! Art projects and manipulatives will help with the understanding of symmetry. Learn to design your own Tangram animal or creature. Through complex patterns and challenging puzzles, you will gain a positive and enriching experience.
Fee: $85 • Material Fee: $10

Video Game Design
5th–7th grades
Using “Scratch,” design and modify your own exciting arcade-style video games that will impress your family and friends! You’ll learn how to control characters, objects and outcomes in your game, then increase the difficulty level and add more features. Graphics design and graphics animation topics also will be covered. Design your own version of popular video games. This course is an online computer course, but is instructor-facilitated. Students can play and improve or create more video games at home!
Students should bring an empty flash drive.
Fee: $85

Grossology
3rd–5th grades
Featuring facts about stuff that’s slimy, mushy, oozy, scaly, stinky, and smelly! Grossology is the outrageous alternative to a really boring health class, introducing the science behind the body’s most disgusting features, from burps and boogers to scabs and ear wax. Students will perform many scientific experiments to explore the vast complexities of the human body and its systems. “Snot” for the weak of heart or stomach!
Fee: $85 • Material Fee: $20

Phreaky Physics & Chrazy Chemistry
6th–9th grades • Youth Academy
This is a hands-on physical science lab where students will explore both physics and chemistry. For more information go to page 28.
Fee: $85 • Material Fee: $20

Robotics
5th–7th grades
Unleash your creative brilliance and learn valuable technical, problem-solving and workplace skills while having loads of fun in this robotics class. They are surprisingly easy to build and program, but they can be enhanced to do very complex functions! The teams in the class will compete with each other in several competitions—races, obstacle courses, dancing—to name a few. Robots come with advanced sensors to detect distance, touch, light and positions. They respond using motors and lights, and they can even talk! No previous robotic or programming experience is necessary.
Students should bring an empty flash drive.
Fee: $85 • Material Fee: $10
We are offering the following extended child care options for students:

- **7:30–9 a.m.:** $15 per week
- **4–5:30 p.m.:** $15 per week
- **7:30–9 a.m. & 4–5:30 p.m.:** $25 per week

**Inventions: Junior Engineers**

*3rd–4th grades*

As an inventive engineer, you can save the world! Learn about energy sources and how to “think green.” Build projects using Snap Circuits to have loads of fun learning about environmentally friendly energy and how the electricity in your home works. You will discover how geothermal, hydrogen fuel cells, wind, solar, tidal, hydro, and other forms of energy work and how engineers create new ways to make our future brighter. You will also have fun learning about mechanical building concepts. Using special LEGO® kits, and easy-to-follow instructions, you will get hands-on experience working with gears, pulleys, and electrical motors.

*Fee: $85 • Material Fee: $10*

---

**The Ultimate Science Adventure®**

*3rd–5th grades*

Use super cool science to challenge your survival skills. Start each day creating and assembling your very own electric powered walking chameleon—one of nature’s most awesome survivors. Conduct science experiments each day using fun tools to test your ability to overcome obstacles and become the ultimate science survivor. Survive exploding volcanoes, falling skyscrapers and wild winds! Face unexpected science challenges, all awesome and ALL FUN!

*Fee: $110*

---

**Accelerated Prep: Math Skills**

*5th–7th grades*

Challenge your problem-solving abilities, test your ability to understand more difficult concepts, and delve into the world of geometry. Use your math skills to solve real-world dilemmas, create beautiful objects, and compete in fun math games. This class is for those who have a strong math foundation and wish to get ahead in math.

Sing, Dance & Play: Understand Your Child Through Music and Movement

Bring your child, family, babysitter, or come to learn on your own!
Understand the significant role music plays in the total development of your child. Singing and moving to songs trains the brain in many areas, including language, literacy, verbal and spatial memory, mathematics, as well as listening skills. Dr. Lopez’ research on the effects of lullabies and play songs creates a passion for the effects of music on children and adults. You and your child will find your singing voices in a truly rewarding experience that will get kids moving, help them become more cooperative, and create precious time with you at home and in the car.

This class will focus on music for children 3-6 years old (all children must be accompanied by an adult). Come join the fun as we jump, dance, gallop, twirl, bounce and sing!

Supplies: A $25 material fee will be collected in class for a CD. Please bring a towel or blanket to sit on. Start collecting a few small empty boxes (i.e.: Kleenex, spaghetti, oatmeal, etc.), tubes, and rubber bands.

Instructor: Dr. Sarah Lopez

Fee: $70

Oceanside Campus, Room 5101
6 Saturdays, 6/8–7/13, 10–11 a.m.

"This is one of the best Japanese conversation courses I have taken at MiraCosta. The instructor’s methods get everyone to interact and talk." —

"The teacher taught with enthusiasm and made learning Japanese fun. Great teacher, great class!"
Beginning Spanish
This class is a nuts and bolts Spanish class for beginners and those wishing to review basic Spanish grammar and structure. With the help of an easy-to-use-and-understand book, this course offers a grounding in the foundations of the Spanish language. Material covered in this class will include nouns, articles, adjectives, verbs, dates and times, lots of practice exercises, and simple readings. The course will also cover pronunciation and speaking. An excellent course on its own, or as a supplement to other studies.

Supplies: Please bring a notebook, index cards, pencil, and purchase “Easy Spanish Step-By-Step” (ISBN: 978-0771463386) prior to the first class session.
Instructor: Jodina Hahn Gallo
Fee: $90
Oceanside Campus, Room T430
6 Wednesdays, 6/5–7/10, 5:45–7:15 p.m.

Spanish Through Story & Conversation
Learn Spanish through reading and conversing! This course is geared to those who know (at least some) basic Spanish and would like to gain greater command of the basics of the language. We will focus on reading a short and easy Spanish novela set in Argentina. This story will be our springboard to reviewing and improving grammar usage and fluency, and activities will allow ample time for speaking practice. If you don’t know any Spanish, but are feeling adventurous, you’re welcome to join us if you don’t mind jumping in just a little beyond the shallow end!

Supplies: Please bring a notebook, pen or pencil, and purchase “Pobre Ana” by Blaine Ray (ISBN: 978-0929724478, book available at www.amazon, BlaineRayTRPS.com, and others.) prior to the first class session. Please be sure to order early!
Instructor: Jodina Hahn Gallo
Fee: $90
Oceanside Campus, Room T430
6 Wednesdays, 6/5–7/10, 7:30–9 p.m.

How to Write a Novel
Have you wanted to write a book, but weren’t sure where to start or how to finish? Do you think you’re the next James Patterson, Nora Roberts, or Stephen King? This class is for you! Whether you’re writing for fun or profit, if you want to self-publish or send to editors, you need to know the fundamentals of novel writing. Through classroom discussion and exercises, bestselling and award-winning author HelenKay Dimon, will guide participants through the writing process, including structure, plotting and characterization. By the end of the class, you’ll have an idea for a book, the beginning pages, and the tools to keep writing!

Supplies: Students should bring a laptop or notebook, and pen or pencil to class.
Instructor: HelenKay Dimon
Fee: $75
San Elijo Campus, Room 302
4 Mondays, 6/3–6/24, 6–8 p.m.

“Appreciated the personal guidance given to each student. The instructor is very encouraging.”

“Great class. Motivated me to keep writing.”

“This class was very helpful to me and the instructor is very qualified and current with today’s writing market.”

Santa Barbara French Festival
Guide: Christine Jensen
Saturday, July 13, 2013
Join the fun at the largest French celebration in the Western United States. The annual French Festival is held on Bastille Day weekend, outdoors under the sun in Santa Barbara’s beautiful Oak Park.
Be enchanted by the dance acts, take a mini tango lesson, learn how to walk and do ochos, and listen to a variety of music. As you wander the park, you will see jugglers, mimes and troubadours. Visit the specially commissioned Eiffel Tower and wander the handcrafted arts and crafts booths.

When you get hungry, choose from classic and nouvelle cuisine and regional specialties. From crepes, quiche, cheeses and escargots, to Cajun and French Moroccan food. Beer, wine, sparkling champagne, Perrier and frothy cafe au laits.

When you have had your fill of crepes at the French Festival, our luxury bus will take you into the heart of beautiful Santa Barbara. Located in the heart of the State Street shopping sector; La Arcada is an enclave of nook shops and boutique options for your shopping pleasure. Once you have shopped till you drop, jump aboard the bus for a long and leisurely bus ride home.

There will be a no-host lunch while at the festival. Wear comfortable shoes.

Fee: $69
Bus will pick up and drop off at MiraCosta College Oceanside Campus, parking lot 1A.
Departure: 7 a.m.
Return: 8 p.m.

Big Bear Gourmet Food Truck & MicroBrew Festival

Guide: Joseph King
Saturday, July 27, 2013

Travel with us to the first annual Big Bear Gourmet Food Truck and MicroBrew Festival in the village of Big Bear. You will have the opportunity to enjoy great food, live music, and beer tasting from MicroBrews throughout the region.

The cost of the excursion includes the admittance fee into the Festival area. Once inside, you will purchase your food and drink at your choice of food trucks and the many microbreweries. Or, just come along to enjoy the atmosphere of Big Bear Lake and shop in the beautiful boutiques in Big Bear Village. Find that special craft or item you didn’t even know you needed! We recommend that you wear comfortable shoes.

Remember, the afternoon sun in Big Bear feels warm and refreshing, but it will burn unprotected skin faster than being at the beach. Please bring a hat and apply sunscreen as needed.

Fee: $69 (includes transportation and entrance fee)

Bus will pick up and drop off at MiraCosta College Oceanside Campus, parking lot 1A.
Departure: 9 a.m.
Return: 7 p.m.

Laguna Beach Pageant of the Masters

Guide: Linda Kurokawa
Thursday, August 22, 2013

The 2013 Pageant of the Masters theme is *The Big Picture*. The Big Picture will also add a cinematic spin to its world-class presentation with classic masterpieces that inspired legendary filmmakers. Don’t miss the opportunity to time-travel and go on location around the globe in search of unforgettable art!

Acclaimed for its awe-inspiring theatrical celebration of tableaux vivants, or “living pictures,” the pageant will showcase classic works by some of the extraordinary masters who galvanized art history. Enjoy ninety minutes of incredibly faithful art re-creations of classical and contemporary works with real people posing to look exactly like their counterparts in the original pieces. An outdoor amphitheater, professional orchestra, original score, live narration, intricate sets, and sophisticated lighting will help you explore how art history has inspired and informed the movies.

Viewing will be excellent from our loge-section seating. The day will include time to browse through the Laguna Festival of the Arts grounds and the Sawdust Festival, or Art-a-Fair, offering a variety of paintings, creative arts, beautiful jewelry, and fine crafts. The pageant is presented at 8:30 p.m. in an outdoor amphitheater, so warm clothing is recommended. Enjoy dinner on your own in beautiful downtown Laguna Beach (within walking distance) or dine at the restaurant on the festival grounds. For more information, go to www.foapom.com.

Fee: $99 (includes transportation and loge seating at the pageant)

Bus will pick up and drop off at MiraCosta College Oceanside Campus, parking lot 1A.
Departure: 2 p.m.
Return: 12 a.m.

How to Apply & Enroll in Classes

Applying for Admission
If you are a new student or if you are a returning student who did not attend classes in Spring 2013, you must first submit a Noncredit Application for Admission. You may submit the application two ways:

1. Online at www.miracosta.edu/noncredit. Select the link for Tuition-Free Noncredit Courses for Adults.

   PLEASE NOTE: Online applications require several days to process. You should submit your online application at least 3–4 business days before the date you want to enroll.

   After the application is processed, you will be assigned an 8-digit Student ID number that you will use the entire time you are a student at MiraCosta College. You will retrieve your Student ID number the first time you login to SURF following the directions below.

2. Or complete the Noncredit Application for Admission found on page 55, which also allows you to select your classes, and mail or bring the completed application to:

   MiraCosta College
   Community Learning Center
   1831 Mission Avenue, Oceanside, CA 92058

CISCO NETWORKING ACADEMY—CCENT—CCNA—CCNP

MiraCosta College offers the training needed to prepare students to take the Cisco Certified Entry Networking Technician (CCENT), Cisco Certified Networking Associate (CCNA) and Cisco Certified Networking Professional (CCNP) exams. Classes are offered at the Community Learning Center, 1831 Mission Avenue, Oceanside, 92058. For more information about the program call Kathie Laughlin at 760.795.8737 or visit the Cisco Networking Academy website www.miracosta.edu/cisco for up-to-date schedule information.

Preparation for the new CCENT (ICND1) exam requires 2 courses—NCVOC11 and NCVOC12. Preparation for CCNA requires 2 additional courses (NCVOC15 and NCVOC17) beyond the CCENT courses for a total of 4 courses.

Only NCVOC11 is offered during the Summer. Other classes will be scheduled during the Fall semester beginning August 19th. Registration for Fall classes will begin in late July.

Classes with fewer than 20 students are subject to cancellation.
# Classes with fewer than 20 students are subject to cancellation.

## CCENT—CCNA

Students are allowed to register after the start date of class. The last date to register for this class is June 11.

**NCVOC11 Computer Networking Basics (Online Hybrid)**

A $3 materials fee must be paid at the time of enrollment.

## OLDER ADULTS

State supported educational programs for older adults range in subject from art to writing. While these courses are offered primarily for senior citizens at locations and times convenient to them, the classes are open to all adults.

### ART

Students in art classes must furnish their own supplies. Instructors will provide a list of materials at the first class meeting. For additional information on classes which may be of interest to senior citizens, please pay particular attention to the Community Services section of this bulletin.

### TO REGISTER FOR THE COURSES ON PAGES 58–61, FOLLOW THE INSTRUCTIONS GIVEN

**ADULT HIGH SCHOOL DIPLOMA PROGRAM**

The Adult High School Diploma Program is designed for students 18 years of age or older who wish to complete the requirements for a high school diploma or prepare to take the GED. Those under 18 who can benefit from instruction are also allowed to enroll. Any student enrolled in a day high school (regular or continuation) must meet the following criteria in order to take classes in MiraCosta College’s Adult High School Diploma Program. He/she must be a credit or CAHSEE deficient student, 17 years old or older, who has attended at least five semesters of high school. Day high school students must also present a Concurrent Enrollment Permit signed by their day high school principal, counselor, and parent. The forms are available at high school counseling offices, the Community Learning Center (CLC), MiraCosta College’s Admissions offices, and online at www.miracosta.edu/ahsdp.

In order to place students in courses that best meet their needs, individual skills will be assessed. Those who need to improve their reading to be successful in courses for high school credit may take courses designed for that purpose. English, reading, and math courses are also appropriate for persons who do not need a high school diploma but wish to increase their skills in preparation for college classes, for employment or advancement in the workplace, or for personal growth.

Classes are held at MiraCosta College Community Learning Center, located at 1831 Mission Avenue in Oceanside. Counselors are available to assist students. To see a counselor or get more information call 760.795.8710, Monday through Thursday, 7:30 a.m. to 8 p.m.; Friday 8 a.m. to 12 p.m.

Classes with fewer than 20 students are subject to cancellation.
REGISTRATION DATE | TIME | LOCATION/ROOM
---|---|---
Summer Session (June 17–July 25)
June 10 | 3 p.m. | CLC/Community Room
June 11 | 8:30 a.m. | CLC/Community Room
June 12 | 5 p.m. | CLC/Community Room

Prospective students should submit an application for admission online at www.miracosta.edu/ahsdp prior to attending a registration session. The Application Confirmation Page should be printed and presented at the time of registration. The reading skills assessment will be administered to all new students as part of the registration process. Adaptive testing will be available for English as a Second Language students and students with documented disabilities. Documentation that verifies disabilities is required. Students must request adaptive testing. Call 760.795.8710 for more information.

Students seeking academic accommodations because of a documented disability are encouraged to request assistance from Disabled Students Programs and Services (DSPS) prior to enrollment. Call 760.795.6658. The registration process for new students takes a minimum of two and a half hours. Please bring your Social Security number and a pen. Students planning to earn MiraCosta College’s adult high school diploma should also bring transcripts.

### ENGLISH AS A SECOND LANGUAGE PROGRAM

The goal of this program is to aid speakers of other languages to gain fluency in English. Students learn English to help them function effectively in family, community, work and academic settings. Conversation is emphasized at the beginning levels, but reading, writing and the structure of the language are introduced as students gain proficiency. Bilingual instructional aides are available.

**Registration Information**

Students interested in morning, afternoon, or evening ESL classes may register only on the dates and times listed below at the Community Learning Center, 1831 Mission Avenue, Oceanside.

There is limited space available in noncredit ESL classes. You may want to arrive well before the registration time to get in line. Students are registered on a first-come, first-served basis.

Disability Accommodation
In compliance with Section 504 of the Rehabilitation Act of 1974, MiraCosta College has designated Connie Wilbur, 760.795.6658, as its Section 504 Coordinator. Students or community members with verified disabilities may be entitled to appropriate accommodations. A variety of alternative formats are readily available; others may require additional time to provide. For specific details, contact the Disabled Students Programs & Services Office, 760.795.6658.

The Campus ADA (Americans with Disabilities Act) coordinator is Joe Mazza. Members of the public who seek accommodations for other than instructional or student services activities should contact Joe Mazza at 760.795.6866.

Servicios y ayuda para personas discapacitadas
Dando cumplimiento con la Ley de Rehabilitación de 1974, el Colegio MiraCosta ha nombrado a Connie Wilbur, como su coordinadora de la Sección 504 de dicha ley. Está disponible una variedad de adaptaciones alternativas; otras adaptaciones pueden requerir tiempo adicional para que puedan ser proporcionadas. Para obtener mayor información específica, comuníquese a la Oficina de Programas y Servicios para Estudiantes Incapacitados al 760.795.6658.

Miembros de la comunidad con incapacidades comprobadas que desean asistencia al asistir a actividades ademas de clases, tienen derecho a las adaptaciones correspondientes. Comuníquese con el coordinador de ADA, Joe Mazza al 760.795.6866.

Si necesita información respecto a los procedimientos para la resolución de quejas relacionadas con asuntos de discriminación, incluyendo el acoso sexual, comuníquese con la Oficina de Recursos Humanos del campus de Oceanside, al teléfono 760.795.6865.

Equal Opportunity/Nondiscrimination
From MCCCD Board Policy/Administrative Procedure 3410
The MiraCosta Community College District is committed to equal opportunity in educational programs, employment, and access to all institutional programs and activities.

The district, and each individual who represents the district, shall provide access to its services, classes, and programs without regard to accent, age, ancestry, citizenship status, color, disability, economic status, ethnic group identification, gender, marital status, medical condition, national origin, parental status, race, religion, sexual orientation or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

All members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

If you need information about the grievance procedure to resolve complaints of discrimination, including sexual harassment, contact Sheri Wright, the district officer responsible for receiving all discrimination complaints filed pursuant to Title 5, §59328, at the Oceanside Campus Human Resources Office, 760.795.6865.

Igualdad de oportunidades
El Colegio de MiraCosta se compromete a proporcionar igualdad de oportunidades en la educación y en el empleo a todas las personas sin establecer limites en cuanto a raza, religión, país de origen, sexo, estado civil o familiar, capacidad física, edad, orientación sexual, o situación como veterano de la guerra de Vietnam.

Si necesita información respecto a los procedimientos para la resolución de quejas relacionadas con asuntos de discriminación, incluyendo el acoso sexual, comuníquese con la Oficina de Recursos Humanos del campus de Oceanside, al teléfono 760.795.6865.

Equal Employment Opportunity
The MiraCosta Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice.

The district is committed to a continuing good-faith effort to ensure that all qualified applicants for employment and employees have full and equal access to employment opportunity, and are not subjected to discrimination in any program or activity
of the district on the basis of accent, age, ancestry, citizenship status, color, disability, economic status, ethnic group identification, gender, marital status, medical condition, national origin, parental status, race, religion, sexual orientation, veteran status, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The district will strive to achieve a workforce that is welcoming to men, women, persons with disabilities and individuals from all ethnic and other groups to ensure the district provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

**Family Educational Rights and Privacy Act of 1974 (FERPA)**

All student records of MiraCosta College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act.

A student may request access to those campus records which personally identify the student; the student may challenge the accuracy of the record or the appropriateness of its retention in the college records. Regardless of age, student consent is needed for the release of records covered by the act to outside parties except for those agencies entitled to access under the provisions of the act (e.g., college officials; other schools; federal, educational and auditing officers; and requestors in connection with the application or receipt of financial aid). These provisions apply to records received and used after November 19, 1974.

Amendments to the act permit the college to release what is called “directory information,” provided that the student or former student has not specifically asked the college to refrain from releasing such information. Check with the Admissions and Records Office for specific directory information and notification of student rights.

If you wish directory information not to be released without your prior written consent, please indicate so on the college application or send a signed request to the Admissions and Records Office, MS 10A, MiraCosta College, 1 Barnard Drive, Oceanside, CA 92056.

**Student Right-to-Know Rates**

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the MiraCosta Community College District to make available its completion and transfer rates to all current and prospective students.

Beginning in fall 2004, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at MiraCosta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 28.99 percent attained a certificate or degree or became “transfer prepared” during a three-year period, from fall 2004 to spring 2007. Students who are “transfer prepared” have completed 56 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 23.19 percent transferred to another postsecondary institution (UC, CSU, or another California community college) prior to attaining a degree, certificate, or becoming “transfer-prepared” during a five-semester period, from spring 2005 to spring 2007.

**Selective Service—Important Notice For Male Students**

Federal law requires men 18 through 25 years of age to be registered with the Selective Service System (SSS). The law applies to male citizens and immigrant aliens, but not to foreign students who hold valid student visas. Registration forms are available at any U.S. Post Office or online at [www.sss.gov](http://www.sss.gov).

**Federal Tax Credit**

In accordance with federal tax credit legislation, MiraCosta College will mail a verification 1098T form at the end of January to each registered student. Information will also be reported to the IRS. If you did not provide your correct Social Security number to the Admissions and Records Office, complete a change of information form to ensure accurate reporting to the IRS. Please check with your tax preparer to determine if you are eligible to take advantage of this credit and the amount you may deduct. 1098 information may be accessed on your SURF account by selecting Finances.

**Smoking and Drug Use**

MiraCosta College is proud to be tobacco-free. Please refrain from smoking or using tobacco products on campus. MiraCosta College will impose sanctions against the use of illegal drugs.

Certified Armed Protection Specialist

This intensive program is 127-hours of classroom and field instruction. Students will receive all course work for a CA guard card, exposed weapon permit, American Heart Association CPR/AED and First Aid card, baton permit, taser and OC cards, and a concealed weapon permit from the states of Florida and Utah. Students will also receive four days of specialized executive protection training. See page 11 for details.

High Threat Protection Specialist

This course bridges the gap between conventional domestic protective operations and war-zone PSD work. This 19-day program will provide the training, knowledge, and skill sets to be a proficient protective team leader/member in all threat areas by focusing on one of the most challenging protective environments, the high threat-low profile areas of operation. See page 11 for details.

Vet Assistant

As a veterinary assistant, you will help the veterinarian or the veterinarian technician in their daily tasks. In this 6-hour program, learn basic animal care principles and techniques, safety procedures, and state/federal guidelines. Students will cover everything from basic anatomy and physiology to lab skills to surgical assisting appropriate to the veterinary assistant level. A 40-hour externship is available at the conclusion of the course. See page 14 for details.

Manufacturing Machinist Technology Training Program

There are numerous openings for machinist technician apprentices in North County! Students enrolled in this 480-hour program will learn how to use precision instrument makers that fabricate, modify, or repair mechanical instruments. Shop mathematics, metal properties, layout, machining procedures, tooling and basic understanding of CNC machining will be covered. OSHA-10 hour certification will be provided. See page 13 for details.
