Our unique plant selection is continually changing; so come by soon to see what’s growing and support your local community college Horticulture program!

**SEE WHAT’S GROWING**

Directions:
- From I-5, go east on Highway 78 or from I-15, go west on Highway 78. From eastbound Highway 78, exit on College Blvd. From westbound Highway 78, exit at College Blvd. (Turn left onto Vista Way, then right on College.) Go north on College Blvd. to the first traffic light after the Highway 78/Vista Way intersection and turn left on Barnard Drive. Continue on Barnard Drive as it circles the campus. Make a right down a short hill into parking lot 7A.
- From Oceanside Blvd. or Vista Way, take Rancho del Oro Road to the first traffic light, Glaser Drive. Glaser Drive is the west entrance to the campus. Make a left onto Barnard Drive. Make another left down a short hill into parking lot 7A.

Parking:
- Lot-7A. Customer parking is available for the nursery, no parking pass required when the nursery is open.

Parking:
- Lot-7A. Customer parking is available for the nursery, no parking pass required when the nursery is open.

**Nursery Hours:**
Monday, Wednesday, & Friday
9am to 2pm (closed school holidays)
Horticulture is the study of the art and science of cultivating plants. MiraCosta's Horticulture Program also includes design, installation and maintenance of landscapes; agri-business; floriculture; and wine technology. Students may take courses to prepare for a major in horticulture, to complete certificates to enter the job market, and to fulfill general education requirements.

Career options include floriculture and nursery industries, landscape and irrigation design, landscape installation and management, sports turf management, horticulture sales and services, enology and viticulture (vineyards/winemaking).

For more info visit the website: www.miracosta.edu/hort

Sales Nursery

Our nursery is stocked with a diverse selection of ornamental and edible plants, including drought tolerant & California friendly plants for your gardening needs!

Our knowledgeable staff is here to assist you in selecting the appropriate plants for your garden.

Sales directly benefit the horticulture department and our students.

Open for Business Every:
Monday – 9am to 2pm
Wednesday – 9am to 2pm
Friday – 9am to 2pm
Please Note: The nursery will be closed on school holidays.

Horticulture Program

We’ve grown!
The Horticulture program at MiraCosta has grown! A newly constructed, state-of-the-art facility was opened for classes in Spring 2007. Students are enjoying the use of new technology in every classroom. Take a look!
