

2015 CAAHEP-ARC/STSA Standards Implementation Notification Acknowledgement

At the **January 2015 CAAHEP** meeting, the Board of Directors made a change to **Standard V.A.4** in the accreditation Standard for all of its healthcare professions.

V. Fair Practices

A. Publications and Disclosure

4. The sponsor must maintain, and make available to the public current and consistent summary information about student/graduate achievement that includes the results of one or more of the outcomes assessments required in these **Standards**.

Guideline: The sponsor should develop a suitable means of communicating to the communities of interest the achievement of students/graduates (e.g. through a website or electronic or printed documents).

For programs to be in compliance with the new **Standard** the following change must be implemented: All programs must publish the approved Outcomes Assessment Exam (OAE) pass-rate from the program's most recently submitted Annual Report. These results must be made available to the public using at least one of the following methods:

- a. Institutional website
- b. Annual catalog
- c. Programmatic documents
- d. Other publicly distributed publications

At all times the published OAE pass-rate must be consistent with and verifiable by the program's most recently submitted Annual Report.
