"The MiraCosta Business program was fundamental to my academic success. The faculty are knowledgeable, patient, and teach real world skills that not only prepared me for my major, but also my career beyond my Bachelor's Degree."

—Susanne Wilson, transferred to San Diego State University, CPA candidate 2019.

This brochure was funded by the Carl D. Perkins Career and Technical Education Improvement Act of 2006 (18-C01-032) awarded to MiraCosta College and administered by the California Community College Chancellor's Office. The district, and each individual who represents the district, shall provide access to its services, classes, and programs without regard to age, ancestry, color, physical or mental disability, pregnancy, gender, gender identity, gender expression, marital status, medical condition, genetic information, national origin, parental status, race or ethnicity, religion, sexual orientation, military or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

Shaping Minds for Success.

BUSINESS ADMINISTRATION, ENTREPRENEURSHIP, MARKETING & MANAGEMENT

Whether students are planning to transfer as a business major or obtain immediate workplace advancement, the MiraCosta College Business Administration (BUS) program is poised to teach students the skills they need.

The program works with leading employers in North County to prepare students for a business career. Eighty percent of MiraCosta College students are employed after completing their studies in Business Administration.

Career opportunities in business include accounting, marketing, finance, entrepreneurship, and management positions in technology, retail, manufacturing, government, and nonprofit organizations.

GAIN EXPERIENCE OUTSIDE THE CLASSROOM

The Business Program at MiraCosta College provides students with a variety of opportunities to make valuable connections to those already in the field. Career mentoring enables students to gain guidance from working professionals. Internships provide students with work experience in their area of study.

DEGREES & CERTIFICATES

Certificates of Proficiency are designed to be the first step in a career ladder through the introduction to one aspect of a trade or occupation.

- Business Quick Startup
- Business Fundamentals
- Entrepreneurship Fundamentals
- Project Management

Certificates of Achievement quickly prepare students for immediate employment in specific business administration career areas.

- Entrepreneurship
- Management
- Marketing
- Social Media for Business

Associate Degrees in business administration are offered to provide students with the hands-on knowledge and skills to secure a career in the field. An associate degree requires completion of a Certificate of Achievement and general education courses specified in the MiraCosta College catalog.

- Business Administration for Transfer
- Entrepreneurship
- Management
- Marketing

For more information about associate degrees and certificates, please contact the Counseling Department at 760.795.6670.
