CAL GRANT GPA VERIFICATION  
(for March 2, 2015 filing deadline)

Student Name ___________________________ Date __________________

Last                                      First

Email ___________________________ Phone __________________

Please review each GPA category below and determine which category best describes your situation. If you fall into one of the first two categories, MiraCosta College will submit your verified GPA electronically to the California Student Aid Commission (completion of the Cal Grant GPA Verification Form not required).

1. MiraCosta College only GPA
   If you have completed 24.0 or more degree applicable units at MiraCosta College, your GPA will be automatically submitted electronically (you must submit your 2015-16 FAFSA by March 2, 2015).

2. MiraCosta College only re-established GPA
   If you have completed at least 16, but less than 24, degree applicable units at MiraCosta College and wish to use this GPA instead of your high school GPA, you will be automatically submitted electronically (you must submit your 2015-16 FAFSA by March 2, 2015).

3. High School only GPA
   If you have completed less than 24.0 degree applicable college units and cannot (because you have completed less than 16 degree applicable units) or choose not to use option 2, submit the GPA form to your high school for verification and your 2015-16 FAFSA by March 2, 2015.

4. Other College Course Work GPA*
   If other college course work should be included to meet the minimum 24.0 degree applicable units (or 16.0 units for a re-established GPA) complete the information below and submit the Cal Grant GPA Form together to the Admissions and Records Office. Normal processing time is five (5) working days. Processing will begin February 2, 2015.

   Processed form should be picked up no later than March 2, 2015.

   It is the student’s responsibility to mail the form to the California Student Aid Commission. 
   Postmark deadline is March 2, 2015.

*Other Colleges Attended:
   (Official transcripts must be on file in the Admissions and Records Office)
