# BEFORE YOU COME

- Create a Federal Student Aid ID (FSA ID), if you have not done so already. The FSA ID gives you access to Federal Student Aid's online systems and allows you to sign your FAFSA electronically. If you created an FSA ID for the 2016-2017 FAFSA, you have completed this step. If not, log onto [www.fsaaid.ed.gov](http://www.fsaaid.ed.gov) and follow the instructions.
- If you are a dependent student, one of your parents will also need to create a FSA ID in order to sign your FAFSA. If neither parent has a Social Security Number (SSN) they will be unable to obtain a FSA ID and will sign your financial aid application by printing a signature page from your FAFSA.
