Clarification is needed for the total number of people reported in your parent(s) household for the 2016-17 aid year. How many people are in your parents' household? Include:

- Yourself, even if you don't live with your parent(s).
- Your parent(s) (including step-parent).
- Your parent(s) other children if (a) your parents will provide more than half of their support between July 1, 2016 and June 30, 2017 or (b) the children would be considered dependent for FAFSA purposes.
- Other people, if they now live with your parent(s) and your parent(s) provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.

***Shared living arrangement (i.e. roommates) is not the same as "support." Support means: currently providing more than half of all living expenses for that person because that person listed has no means of self-support, or no one else is providing at least half of their support.**

Include the name of the college for any household member, excluding your parent(s), who will be enrolled, at least half time in a degree, diploma, or certificate program at a postsecondary educational institution any time between July 1, 2016, and June 30, 2017.
