

2016-17 Verification Worksheet

Dependent Student (F17DV6)

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

A. Dependent Student’s Information

Student’s Last Name	Student’s First Name	Student’s M.I.	Student’s MiraCosta ID Number
Student’s Street Address (include apt. no.)			Student’s Date of Birth
City	State	Zip Code	Student’s Email Address
Student’s Phone Number (include area code)			Student’s Alternate or Cell Phone Number

B. Dependent Student’s Family Information

Clarification is needed for the total number of people reported in your parents’ household for the 2016-17 aid year. List all people in your parents’ household. Include:

- Yourself, even if you don’t live with your parent(s).
- Your parent(s) (including step-parent).
- Your parent(s) other children if (a) your parents will provide more than half of their support between July 1, 2016 and June 30, 2017 or (b) the children would be considered dependent for FAFSA purposes.
- Other people, if they now live with your parent(s) and your parent(s) provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.

****Shared living arrangement (i.e. roommate) is not the same as “support.” Support means: currently providing more than half of all living expenses for that person because that person listed has no means of self-support, or no one else is providing at least half of their support.***

Also, include the name of the college for any household member, excluding your parent(s), who will be enrolled, at least half time in a degree, diploma, or certificate program at a postsecondary educational institution any time between July 1, 2016, and June 30, 2017.

The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student has not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into the student's FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.
