

2016-2017 Verification Worksheet

Independent Student (F17IV4)

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

B. High School Completion Status

You must provide one of the following documents that indicate the student’s high school completion status when the student will begin college in 2016–2017:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, he or she must contact the financial aid office.

C. Identity and Statement of Educational Purpose (To Be Signed at the Institution)

The student must appear in person at MiraCosta College to verify his or her identity by presenting a valid government-issued photo identification (ID), such as, but not limited to, a driver’s license, other state-issued ID, or passport. MiraCosta College will maintain a copy of the student’s photo ID that is annotated with the date it was received and the name of the official at the institution authorized to collect the student’s ID.

In addition, you must sign, in the presence of the institutional official, the following:

Statement of Educational Purpose

I certify that I _____ am the individual signing this Statement of Educational Purpose
(Print Student’s Name)

and that the federal student financial assistance I may receive will only be used for educational purposes and to pay the cost of attending MiraCosta College for 2016–2017.

D. Independent Student’s Family Information

Clarification is needed for the total number of people reported in your household for the 2016-17 aid year.

List all people in your household. Include:

- Yourself (and your spouse),
- Your children, if you will provide more than half of their support and you will continue to provide more than half of their support between July 1, 2016 and June 30, 2017.
- Other people, if they now live with you and you provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.

****Shared living arrangement (i.e. roommate) is not the same as “support.” Support means: currently providing more than half of all living expenses for that person because that person listed has no means of self-support, or no one else is providing at least half of their support.***

Include the name of the college for any household member who will be enrolled at least half time in a degree, diploma, or certificate program at a postsecondary educational institution any time between July 1, 2016 and June 30, 2017.

Full Name	Age	Relationship	College	Will be Enrolled at Least Half Time
