For Faculty & Staff and Students:

Our college community is becoming increasingly aware of the amount of stress our students are experiencing and its negative impact on their health and academic performance. To address this concern, we have adopted three online training simulations that will assist faculty, staff and students to better identify and connect to support services on campus. These 45 minute courses are already in use at over 270 colleges and universities.

For Faculty and Staff
To take the course, follow the instructions below:
- Go to: http://www.kognito.com/ccc
- Create an account
- Follow the on-screen instructions

For Students
To take the course, follow the instructions below:
- Go to: http://www.kognito.com/ccc
- Create an account
