

## MiraCosta College Police Department Training Bulletins 2023

**TO:** MCPD Employees  
**DATE:** July 28, 2023  
**FROM:** MCPD Training Unit  
**SUBJECT:** Electrical Safety & Natural Gas Safety for Law Enforcement

See hotlinks below for safety videos:

Hotlink for Electrical Safety for LE Videos: <https://spaces.hightail.com/space/hhDuq5L4A1>

Hotlink for Natural Gas Safety for LE Videos: <https://spaces.hightail.com/space/qEyoseTuvx>

The safety video series were created exclusively to train Law Enforcement personnel on electrical hazards we may encounter on various types of calls, and provide guidance on how to best keep ourselves and others safe.

For training purposes, the videos contain graphic scenes of actual electrocutions, which were obtained from public media.

None of the electrocution incidents occurred within the service territories of San Diego Gas & Electric.
