On September 13, 2022, California Governor Gavin Newsom signed California Assembly Bill 2449 (AB 2449) into law. This bill changes remote attendance rules under Ralph M. Brown Act's open meeting laws. With an effective date of January 1, 2023, AB 2449 imposes four periods of differing rules on remote access to, and member attendance of, local agency public meetings under the Ralph M. Brown Act (Brown Act). Further, a state of emergency is no longer in effect and so governing bodies will now meet in person with the possibility of approved remote attendance. The public may observe the meeting remotely or in person and offer public comment. A link for remote viewing or calling in is noted on the agenda. Therefore, Academic Senate and its subcommittee meetings will be held in person with a Zoom link available. If you wish to attend a meeting and you have another disability requiring special accommodation(s), please notify the Academic Senate Administrative Assistant at 760-795-6873. The California Relay Service (CRS) is available by dialing 711, or 800-735-2929 or 800-735-2922 for English or 800-855-3000 for Spanish. In compliance with Government Code section §54957.5, nonexempt writings that are distributed to a majority or all of the MiraCosta Community College District, Academic Senate and its subcommittees in advance of their meetings, may be viewed at the Office of the Academic Senate President, One Barnard Drive, Oceanside, California, or by clicking on the Academic Senate's Committees website at https://www.miracosta.edu/governance/academic-senate/committes.html. Members conducted a first read of the PDP Committee Service Expectations document.

Discussion focused on clarifying the roles of the PDP Coordinator and committee members, and on refining language to reflect shared responsibility rather than "expectations." Suggestions included adding references to goal setting, event support, meeting participation, and improved communication with colleagues. Members also raised whether the document should be incorporated into a committee charter, and noted the need to distinguish responsibilities of the Chair versus the committee. Past practices, such as the use of a Flex Day subcommittee, were referenced as possible models for moving forward.

None

#### IX. Information / Discussion

# A. Taskforce Development

Description: Discussion will focus on creating two taskforces to support the ongoing work of PDP. The second will look ahead to program design, including workshops, calendar decisions, mini-conferences, and the overall direction of PDP for Spring and beyond.

The committee discussed forming two taskforces: one to review past surveys - audits - transcripts to establish data points & narrative history for PDP and the other to focus on future program design. Members raised questions about the types of data to be considered and noted the importance of establishing clear collection methods. Committee members were invited to indicate which taskforce they wished to join.
