College Logo and Seal

The MiraCosta College logo is the primary symbol in the college's graphic identity and should be used on all brochures, business cards, stationery, websites, social media, and in most MiraCosta College publications; however, the official college seal is a historical symbol that should be reserved for ceremonial use, diplomas, official transcripts, and formal documents of the MiraCosta College Board of Trustees. The logo and seal may not be used together.

The Spartan logo is specifically reserved for media and materials directly related to the MiraCosta College Athletics Program and for purposes related to the college's internal audience.

For further guidelines on usage of the college name logo, seal, and brand elements, in print, online and social media outlets, see Administrative Procedure 1100 and Administrative Procedure 1100-5.
