

A cumulative record of enrollment, scholarship, and educational progress shall be kept for each student.

Release of Student Records

No instructor, official, employee, or Board of Trustees member shall authorize access to student records to any person except under the following circumstances:

- A. Student records in the form of a transcript shall be released pursuant to a student's written or verified electronic consent. Students shall submit a signed transcript request to the Admissions and Records Office indicating the number of transcripts requested and destination. Students may submit an electronic transcript request whereby the identity of the requestor is verified through a series of questions and responses and validation of the payer. If identity cannot be verified electronically, the student's written signature will be required by the transcript-processing vendor prior to release of the academic record.
- B. Directory information may be released in accordance with the definitions in Board Policy 5040. Requests for release of directory information shall be submitted to the director of admissions and records or the dean of admissions and student support for approval or denial. The district reserves the right to deny any such requests. Student records shall be released pursuant to a judicial order or a lawfully issued subpoena. Subpoenas shall be submitted to the Admissions and Records Office. The subpoenas shall be reviewed to determine the type of records requested and the appropriate office of retention of such records. Retrieval of records from college departments and offices shall be organized by Admissions and Records staff. The director of admissions and records shall review the subpoena and gathered documents and, when required, prepare a declaration of records as submitted in order to comply with the subpoena. The district will make a reasonable effort to notify the eligible student of the order or subpoena in advance of compliance so that the eligible student may seek protective action, unless the disclosure is prohibited by regulation.

- C. Student records shall be released pursuant to a federal judicial order that has been issued regarding an investigation or prosecution of an offense concerning an investigation or prosecution of terrorism.
- D. Student records may be released to officials and employees of the district only when they have a legitimate educational interest to inspect the record. The supervisor of an employee who requires access to student records as part of their normal course of duties shall submit an access-to-records request as part of the hiring process. The employee shall be required to sign a confidentiality form to ensure compliance with privacy laws. Nonroutine requests for access to student records shall be submitted to the director of admissions and records or the dean of admissions and student support, who shall review the request for appropriate use, approve or deny the requests, and provide direction regarding proper disposal of records after use.
- E. Student records may be released to authorized representatives of the Comptroller General of the United States, the Secretary of Education, an administrative head of an education agency, state-education officials, or their respective designees, or the United States Office of Civil Rights, when that information is necessary to audit or evaluate a state or federally supported educational program or pursuant to federal or state law. Exceptions are that when the collection of personally identifiable information is specifically authorized by federal law, any data collected by those officials shall be protected in a manner that will not permit the personal identification of students or their parents by other than those officials, and any personally identifiable data shall be destroyed when no longer needed for that audit, evaluation, and enforcement of federal legal requirements. Requests shall be submitted to the director of institutional research who in conjunction with the director of admissions and records shall monitor the retrieval and distribution of such records.
- F. Student records may be released to officials of other public or private schools or school systems, including local, county, or state correctional facilities where education programs are provided, when the student seeks or intends to enroll or is directed to enroll. The release is subject to the conditions in Education Code section 76225. Requests shall be submitted to the dean of research, planning, and institutional effectiveness who in conjunction with the director of admissions and records, shall monitor the retrieval and distribution of such records.
- G. Student records may be released to agencies or organizations in connection with a student's application for, or receipt of, financial aid, provided that information permitting the personal identification of those students may be disclosed only as may be necessary for those purposes as to financial aid, to determine the amount of the financial aid, conditions that will be imposed regarding financial aid, or to enforce the terms or conditions of financial aid. Requests shall be submitted to the director of financial aid who shall monitor the retrieval and distribution of such records.
- H. Student records may be released to organizations conducting studies for or on behalf of accrediting organizations, educational agencies, or institutions for the purpose of developing, validating, or administering predictive tests, administering financial-aid programs, and improving instruction, if those studies are conducted in such a manner as will not permit the personal identification of

students or their parents by persons other than representatives of those organizations, and the information will be destroyed when no longer needed for the purpose for which it is conducted. Requests shall be submitted to the dean of research, planning, and institutional effectiveness, who in conjunction with the director of admissions and records shall monitor the retrieval and distribution of such records.

- I. Student records may be released to appropriate persons in connection with an emergency if the knowledge of that information is necessary to protect the health or safety of a student or other persons, subject to applicable federal or state law. Requests under this procedure shall be submitted to the director of admissions and records, the dean of admissions and student support, grievance officers at San Elijo Campus and the Community Learning Center, or the vice president of student services, who shall review the request for appropriate use, approve or deny the requests, and provide direction regarding proper disposal of records after use.
- J. The following information shall be released to the federal military for the purposes of federal military recruitment: student name, address, telephone listing, date of birth, level of education, degree received, prior military experience, enrollment status, and major.

Charge for Transcripts or Verifications of Student Records

A student/former student shall be entitled to two free copies of the transcript record or to two free verifications of various student records. Additional copies shall be made available to the student or to an addressee designated by him/her at the rate of five dollars per copy. Students may request special processing of a transcript.
