The number of units you have completed at MiraCosta College determines your registration priority. For Groups B and C, this includes all courses completed, including basic skills and ESL classes. Students who have completed 100.5 units or more in degree-applicable courses will be assigned to Group E.

Online registration times are assigned randomly within each group and start at 8 a.m. for Groups A–F. You may register on your assigned online registration date and time, or any time after throughout the registration period.
