### **MCC Advanced Placement Policies**

The CLEP exams listed above may be applied for unit credit toward the satisfaction of a GE category or as elective units toward the MiraCosta College associate degree.

+ If a student passes more than one CLEP exam in the same language other than English (French, German, and Spanish), only one examination may be applied to the associate degree. For each of these tests, a passing score of 50 earns 6 units of elective credit; higher scores earn more units and placement in Area C of general education.

\*Satisfies MiraCosta Mathematics Competency requirement.

### **CSU Advanced Placement Policies**

The CLEP exams listed above may be incorporated into certification of CSU General Education-breadth requirements. All CSU campuses will accept the minimum units shown if the examination is included in full or subject area certification; individual CSU campuses may choose to accept more units than those specified towards completion of general education breadth requirements. The CSU Minimum Semester Admission unit column reflects what each campus system wide will minimally accept toward CSU admission.

+If a student passes more than one CLEP exam in the same language other than English (French, German and Spanish), only one examination may be applied to the baccalaureate degree. For each of these tests a passing score of 50 earns 6 units of admissions credit; higher scores earn more units and placement in Area C2 of GE breadth.

++This examination only partially fulfills the CSU American Institutions graduation requirement but can be used toward the requirement.

The CSU has grandfathered in this policy to guide CLEP submissions for any year that the CLEP exam was taken.

### **UC CLEP Policies**

The University of California currently does not accept CLEP examinations.
